About Us:

Grow Learn & Play

Our mission is to build confident, independent, life long learners, where we support parents to become confident and informed in understanding their child's development and knowledge in available resources.

Play Groups: What to Expect...

- * Sign up for a 45 minute play group session.
- * Come as you are...materials will be provided.
- * Prepare to learn through structured play activities.
- * Open to all children Birth-5 years.

5 Benefits of a Play Group! * Held Weekly *

- * Supports language development.
- * Develops social skills.
- * Encourages physical activity.
- * Builds emotional confidence.
- * Parents can leave with strategies and exercises to use at home during play time.

Early Intervention Services: What to Expect...

- * Parent questionnaire to determine concerns.
- * Developmental evaluation with your child.
- * Evaluation report and results.
- * Develop Individualized Learning Plan.
